## FLE Learning

**FLE Learning** seeks to develop the knowledge and skills of both public and private sector actors on key new developments and issues in the area of law, trade, business, finance and economics by organising a variety of events, such as conferences, courses, training, and workshops.

In the past year, FLE has successfully organised twenty eight international academic conferences in which delegates from over 65 different countries participated, including Afghanistan, Algeria, Australia, Azerbaijan, Bangladesh, Belgium, Brazil, Bulgaria, Canada, Chile, China, Cyprus, Czech Republic, DR Congo, Egypt, Estonia, France, Georgia, Germany, Ghana, Greece, Hong Kong, Hungary, India, Indonesia, Ireland, Israel, Italy, Japan, Jordan, Korea, Kuwait, Lithuania, Malaysia, Mauritius, Mexico, Morocco, Netherlands, New Zealand, Nigeria, North Cyprus, Oman, Pakistan, Philippines, Poland, Portugal, Qatar, Romania, Russia, Saudi Arabia, Singapore, Slovakia, South Africa, South Korea, Spain, Sri Lanka, Sweden, Taiwan, Thailand, Turkey, United Arab Emirates, United Kingdom, USA and Uzbekistan. FLE has also organised and provided various intensive onsite training programmes to public sector organisations and firms in the past years to develop and improve their controls and systems so as to ensure effective compliance with financial crime laws and regulations. Registered experts from the company also provided technical assistance to different firms to develop their risk portfolio by assessing various risks facing the firm and to update and improve the firm's internal controls and systems to efficiently detect and prevent potential financial crimes.

FLE (previously known as 'FLE Legal Education') was established in 2005 as the foremost provider of the Qualified Lawyers Transfer Test (QLTT) in the Indian Sub-Continent and was set up with the support of the Law Society of England and Wales and the British High Commissioner, New Delhi. QLTT was conducted in India by FLE in conjunction with Central Law Training (CLT), UK, and successful completion allows practising Indian lawyers to be admitted to the Roll of Solicitors of the Supreme Court of England and Wales. The programme was launched in India to allow Indian lawyers to take this test while in their home country.

FLE Learning is not a part of, or otherwise affiliated, to the University of Oxford, nor the 8th Academic International Conference on Business, Economics and Management – AICBEM 2019 and/or 8th Annual International Conference on Law, Economics and Politics– AICLEP 2019 are University of Oxford and/or the St Anne's College programs or activities.

**Welcome and Opening Remarks** by **Mr. Christo Nicholls**, Lecturer, Stellenbosch University (**South Africa**).

### Short Profile of Mr. Christo Nicholls:

Christo Nicholls, started off his career within the mining domain under the Bhp Billiton banner. Although qualified and appointed as an electrical engineer, he soon got roped into the then Six Sigma program, where he qualified as a Six Sigma black belt. This journey of continuous improvement opened the world for him in terms of using domain principles as a basis to complement the equally important parallel domains, such as Human Resourcing (identifying the right skill for the right opportunity), Business Development (understanding the importance of validating the feasibility and bankability of an opportunity, prior to investing time, money or human resources) and Management (understanding the difference between management versus leadership and when to apply which). With this being the platform of his post graduate exposure, he qualified himself as a Systems Engineer within the military space where an appreciation for a structured and well encompassing definition of a solution plus the criticality of success factors such as reliability and uncertainty were added to his arsenal. After completing his master degree in electronics, mastering the science of measurement within the Electromagnetic Compatibility domain, paired with the past experience, he then entered into the world of Smart Metering Solutions for a period of ten years, which led him to be part of some of the biggest development and deployment of end-to-end Smart Metering Solutions around the globe, stretching from USA, Brazil, France, UK, Nigeria and South Africa. This journey subsequently exposed him to the complex environment of utility and municipality related service delivery benefit realization, which is a function of an even further complex amalgamation of all the key elements linked to the theme of this conference, namely: Business, Economics and Management. Currently he is a lecturer at Stellenbosch University in South Africa, where he is also the Head of the Utilities Solution Research Chair, with a research focus on how to introduce strategic and sustainable digitization into municipalities with the sole objective of normalizing and maintaining the sustainability of service delivery within municipalities.

#### **Description of the Oxford Literary Walking Tour:**

Oxford's magic has inspired generations of creative writers, some of them internationally famous, like J.R.R. Tolkien and C.S. Lewis, others known to a more restricted but discerning readership, like Philip Larkin and Beerbohm himself. Literary walking tour evokes many of these unique personalities and shows you the places where they studied and relaxed, were rapt by religious fervour, composed in mad erotic delirium, or drifted away into dreams of other worlds and other days. Our guides, noted literary experts, will take you round the centre of "that sweet city... with her dreaming spires" as Matthew Arnold phrased it, and give you a genuine flavour of Oxford's glorious literary past, and her vibrant present. Colleges will be visited so that the living atmosphere of the university, jealously preserved through long centuries, can be experienced just as it was by the writers themselves. The tour lasts for an hour and a half, giving plenty of time to wander and savour the delights of the 'English Athens': its halls, chapels, cloisters, and gardens which, as W.H. Auden expressed it, the rooks still haunt "like agile babies." The whole history of the English language can be traced in these ancient places, right up to a 21st century of dynamic change, and the resonant names of Shelley, Swift, Wilde, T.E. Lawrence, Gerard Manley Hopkins, Waugh, Amis, Philip Pullman and Le Carré will come to assume greater significance and fascination, even for those who know their work well. For those who do not, a whole new world of knowledge and imagination awaits discovery. **Length:** 90 minutes

To be considered for publication in the conference proceedings, submitted papers must strictly adhere to our prescribed in-house referencing style ie., Harvard Citing and Referencing Style. Each conference proceeding will have a unique digit International Standard Serial Number (ISSN) and/or International Standard Book Number (ISBN) code. For further information, please visit [www.flelearning.ca/abstract-submission/submission-guideline](http://www.flelearning.ca/abstract-submission/submission-guideline).

If you want your FULL paper (maximum 5000 words) to be published in the conference proceedings, kindly handover the duly signed copy of the COPYRIGHT LICENCE AGREEMENT to the FLE representative at registration desk on DAY ONE of the conference. A copy of the copyright agreement will be provided to you in your 'Conference Welcome Pack' on the first day of the conference. Once we will receive your duly signed agreement, we will be in contact with you within the next three weeks to confirm when you can expect a proof of your paper to review, if accepted for publication in the proceedings.

If you also wish your FULL paper to be considered for publication in the peer-reviewed e-journal, you must authorise us to consider your paper for publication in the respective Journal by giving us your clear instructions in the same Copyright agreement. For publication in the E-Journal, please be advised that after the acceptance of your full paper for publication in any of our E-Journals, your paper will enter the production cycle and you will be asked to pay the publication fee/charges in the sum of £73.50 per 5,000 words. If the payment is not received before the deadline (usually 5 working days from the acceptance notice), your paper will be withdrawn from the publication process. However, on receipt of the publication fee, the necessary editing and formatting corrections will be made and you will receive the final proof of your article for review and/or approval to publish.

Please note that if a copy of the duly signed agreement is not received by us, we will not be able to publish your contribution in any manner. For further information about publication, please visit our website <http://www.flepublications.com/>

**Non-Smoking Area:** We would like to bring it to the notice of all registered delegates that the conference venue is a non-smoking College. It is therefore our humble request that no registered conference delegate should smoke inside the college premises.

**Directions:**

**From any UK Airport to Oxford** use National Express coach services. To book your ticket, please visit <http://www.nationalexpress.com/wherewego/airports/index.aspx>

**Nearest Railway Stations**

Amey Railways, Oxford Train Station, Park End St, Oxford OX1 1HS

**Nearest Coach/Bus Stations**

48 George St, Oxford OX1 2AQ, United Kingdom.

The bus station and railway station are both located about 20 minutes' walk from the College.

**Taxis** are available from both stations and should take about 5-7 minutes to reach us (traffic depending).

**Car** The city centre is avoided by approaching college from the north, ideally on the A4144 (Woodstock Road) or alternatively the A4165 (Banbury Road), both of which are accessible from the ring road. If using the M40 from the north, leave at Junction 9 and take the A34 southbound. From the south-east, leave the M40 at Junction 8 take the A40 northbound. This becomes the Oxford ring road (Northern Bypass), and you can then take the A4144 (Woodstock Road) from this. The best option for those coming from outside Oxford by car is to use the Peartree Park and Ride, close to the junction of Woodstock Road (A4144) and the A34. Park and Ride buses come straight down Woodstock Road and stop at the Radcliffe Infirmary, which is next door to GTC. There are pay-and-display car parking spaces in St Giles and the surrounding streets, but the centre of Oxford is often extremely congested. On-road parking near the College is almost impossible (most of this is residents only), and it will not usually be possible to arrange visitor car parking on the College site.

**Coach** There are very frequent services from London Victoria Station and Heathrow and Gatwick Airports, operated by Oxford Bus and Stagecoach ('The Oxford Tube' and the 'X90'). A less frequent service connects with Birmingham International Airport. There are connections with many other parts of the country, including a direct service to Cambridge. The central bus and coach station (Gloucester Green) is a 15-minute walk south of the College. There is a nearby taxi rank (across the square of Gloucester Green, outside the cinema).

**Rail** There are frequent direct trains from London Paddington and regular links northwards via Birmingham, southwards via Reading, and westwards via Didcot. Consult the interactive National Rail timetable. The Oxford central station is a 20-minute walk from GTC, but there is a taxi rank at the station. The new Oxford Parkway station is a fast train from London Marylebone to north Oxford. There are several buses, (2, 2A, 2D, and S5) that leave regularly from the parkway station to the Bevington Road stop, a four-minute walk from College. Consult the Chiltern Railways website for timetable.

**Air** The most convenient arrival airport is London Heathrow, from which there is a frequent express coach service to Oxford (see below). London Gatwick is a little further, but again there is direct coach service to and from Oxford. Birmingham International, Stansted and Luton have less frequent coach and/or rail connections with Oxford.

**Note: Copy of the conference Programme will also be provided at the registration desk.**
